How to Join a Society

You can join a society at one of their meetings, or you can join online through this website using your EASE Login.

Joining online

Check out the A-Z list of societies - have a look at their profiles on this website.

Once you've decided to join, sign in to this website using your EASE Login in next to the search bar. Non-students can join by creating a 'Guest' account.

Go to the page of the society you want to join and click their 'Join Us' link. Then, just add the membership you require to your basket and pay.

Use the calendar widget and join the next meeting of the society now as a fully paid up member.

Membership Money

Each society sets their own membership fee which often contributes to daily running costs, subsidising trips and equipment costs. Every Society is non-profit.

If you have any questions about what your membership is being spent on, ask the Treasurer of the relevant Society an email. You'll find their contact details on their Society Profile - just search for a Society.

Please note: your membership automatically expires on July 31st each year unless otherwise stated and EUSA gives no refunds of society membership bought as detailed in our Terms & Conditions.

EUSA Societies

EUSA Societies, Connect Office, Potterrow, 5/2 Bristo Square, Edinburgh, EH8 9AL
