**About Us**

Edinburgh University Students’ Association is a membership organisation which represents and provides services for Edinburgh’s 40,000 students.

This includes undergraduate, postgraduate taught and postgraduate research students; on-campus students and those studying online; Scottish students, those from the rest of the UK, and international students.

**As a student you’ll probably have engaged with us at least once or twice, but you may not have realised.**

Every day we:

- Offer free, impartial and confidential advice and support on a range of issues to students through our [Advice Place](#).
- Support over 280 student-led [societies, social enterprises and volunteering groups](#), providing students with social and development opportunities.
- Run four [venues](#) – Potterrow, Teviot Row House, Pleasance, and KB House – providing [events, bars, cafes, shops and society spaces](#).
- Support over 50 [Peer Learning and Support schemes](#) across the University, enhancing students’ academic experience and building a sense of community.
- Employ hundreds of [student staff](#) who work in our venues and in our offices, supporting the delivery of our projects and services while developing transferable skills for the future.
- Support over 1000 [Programme Representatives](#), over 50 volunteer [Elected Representatives](#), and the 5 full-time [Sabbatical Officers](#) to ensure you have a voice on the issues that matter to you.

Becoming an Elected Representative means having the opportunity to shape our work, ensuring that the voices of students like you are being heard across the University and beyond.

There’s more information about who we are and what we do on our website but you may find the following links particularly helpful:
